HONORARY SECRETARY'S REPORT ANNUAL REPORT 2020-21

PUNJAB CRICKET ASSOCIATION

REPORT OF THE HONORARY SECRETARY, PCA

Dear President, Colleagues and Members,

I am pleased to present 73rd Annual Report of the Association for the year 2020-21. The year under Report witnessed one of the worst tragedies in the form of Covid-19 Pandemic, which forced all of the humanity to be locked up in their houses. The Pandemic has also resulted into curtailment of cricketing activities of the BCCI as well as in the State Associations.

The first wave of Pandemic started receding in July/August and PCA has initiated short & selective coaching/practice activities for the Punjab Senior Players by taking all precautions including non-use of saliva, prohibition on spitting, not more than 2 players in one net practicing etc.

The Punjab Cricket Association started its cricketing activities throughout the State in the month of December, 2020 by associating with M/s Trident Group. Even in the face of adversity, the PCA and M/s Trident Group had organized Men's (Senior) T20 Tournament, Senior One Day Tournament, Under-19 years as well as Under-16 years Tournaments.

These Tournaments had provided much needed respite and practice to the Punjab Players before participation in the National Tournaments. The BCCI had announced National Tournaments for Senior Teams only after taking due safeguards including strict quarantine and bio-bubble.

The Punjab Senior Team participated in Senior T20 Tournament for Syed Mushtaq Ali Trophy and won all the league matches thus qualifying for Knock-out. However, while playing Semi-Finals against Baroda, the Punjab Boys lost the match and thus chances to win the Trophy.

The Punjab Senior Team then participated in the Inter State One Day Tournament but failed to qualify for knock-out. In the similar turn of the fate, the Punjab Women Team, who had participated in the Women Senior One Day Tournaments could not qualify for Knock-out stage of matches.

Even though the Season was too short to properly assess the performance of PCA Teams, I would like to share with the members that the Punjab Teams are working hard and the process being followed will help us to achieve the goal of winning the Ranji Trophy.

I would like to convey my thanks to the Presidents & Honorary Secretaries of the District Cricket Associations for assisting PCA in organizing the various Tournaments and Camps.

I would also like to inform that PCA has recently conducted the Vinoo Mankad Trophy 'A' Group Matches at Mohali, Mullanpur and Chandigarh successfully by creating bio-bubble. The CEO and his Team, who have created and maintained the bio-bubble and made arrangements including logistics need special mention. We place on record our appreciation and special thanks to CEO.

We would also like to convey our thanks to M/s Trident Group for providing Sponsorships and Cash Awards to Punjab Players and various District Players.

We also place on record our sincere thanks to Officials of the Association by working hard and to assist the Office Bearers and Members of the Apex Council for smooth functioning of the Association.

(Puneet Bali)
Honorary Secretary

INTER STATE TOURNAMENTS 2020-21

Due to Covid-19 Pandemic, the BCCI had curtailed the National Cricket Season and organized only Men & Women Senior Tournaments. The Trident Group, even after crushing economic blows to the industry due to Pandemic, had offered the sponsorship of Rs.25 lacs for providing cricket kits to the Punjab Teams participating in the National Tournaments in addition to providing complete logistics, infrastructure and financial awards in conducting Domestic Tournaments.

The details of National Tournaments and participation of Punjab Teams are as under: -

Respected President, Office Bearers and Members,

I am honoured to present the report on PCA activities under taken during the year under report as CEO, PCA.

The Union Government of India announced the spread of Covid-19 Pandemic and the Nation-wide lockdown was imposed in the last week of March,2020. These uncertain times required out of box thinking. The equilibrium has to be made between the critical works going on and to safe guard the physical and mental health of the Officials. The minimum staff required to carry on with the critical works like maintenance of the site, ground, electrical, statutory obligations etc. were assessed, staff was identified and deputed on rotation basis.

The District Administration through Deputy Commissioner S.A.S. Nagar, Mohali requested to assist in providing lodging arrangements for the Covid warriors in secure place. Accordingly, after approval from the worthy President and Honorary Secretary, the discussions were held with Deputy Commissioner, Mohali and PCA residential wing was designated for secure use of the Covid warriors as recommended by the District Administration. It further necessitated the need of House-keeping, Security, Maintenance, Sanitization etc on regular basis which were executed by PCA Team efficiently.

The period of lockdown was effectively utilised to carry on with the general cleansing of the PCA Stadium, maintenance of the equipments like DG Sets, RO water purifier, Air Conditioners, Lifts, Fire Alarms and periodical cleansing of the Restaurant which was closed due to Pandemic. Further, the major project of relaying irrigation system in the main ground was also undertaken and completed successfully.

The PCA Officials and manpower engaged through contractors, were strategically deployed throughout lockdown/restrictions period, on rotation basis so as not to hinder any work. As welfare measure and to appreciate the efforts of the staff who have worked during these times, financial assistance was also provided.

Chief Executive Officer

Report/Minutes of The Senior Tournament Committee Meeting dated 3rd April, 2021

Item No.1: To discuss and take appropriate decision on the staging of tournaments and Rules of Reimbursement including hosting and participation subsidy.

The CEO informed the members that PCA has purposed the revised rules for reimbursement for Inter-District Tournaments and the same were forwarded to the members along with Agenda. He shared that PCA will now be reimbursing a lump-sum amount of Rs. 15,000 for 1-day match, Rs.20,000 for 2-day matches, Rs.25,000 for 3-day matches and Rs. 30,000 for 4-day matches. He further informed that the amount of Rs. 15,000 will consist of traveling allowance / providing of vehicles to the District Teams from their headquarters to the place of the match and back. Similarly, for two day matches the DA for 3 days is to be paid and so on.

Further the District Associations will also be responsible to make payment of Rs.250/- per head per day to the team and officials as dinner expenses for and match day(s) and one day before. Further, the receipts of payment of dinner allowance to the players are to be attached along with the reimbursement claim.

The President advised that Districts may start making digital payments to players & officials, which will eliminate the need for making physical receipts.

The Representative of Muktsar District Cricket Association requested to increase the dinner allowance to Rs.300/- instead of Rs.250/-, which can be catered to by the Districts from the increased subsidy of the match.

The President remarked that the Districts are at liberty to decide and disburse DA to players and officials between Rs. 250 to Rs. 300. However the minimum of Rs.250/- per head per day has to be paid to the players.

The CEO informed that the teams staying at the venue of the match during Rest Day for their next match instead of returning to their Headquarters, such teams have to pay the meal allowance to the players and support staff on the prescribed rates for the Rest Day as they would be saving the same on travel from their District to the venue of the next match. He further shared that it will also provide rest and additional practice to the players. The proposal was appreciated and approved by the members.

The CEO informed that hosting subsidy has also been increased to Rs.50,000 for 1 day match, Rs.1,00,000 for 2-day matches, Rs.1,50,000 for 3-day matches and Rs.2,00,000 for 4-day matches.

The CEO further emphasised that as per new Rules the match fee shall be paid by the District Associations to the Umpires, Match referee, Selectors, Scorers etc from this year onwards instead of sending their bills to PCA. He shared that it will result into speedy settlement of bills as well as consolidation of expenses made by the District associations on the specific Tournament/ Matches.

The Committee appreciated the efforts made by CEO and his Team and after detailed discussions, unanimously approved the revised Rules for reimbursement for Inter District matches as reproduced below: -

Reimbursement of Inter District expenses: -

The Association may claim the above subsidy at the end of the Tournament by submitting a certificate on the enclosed format duly signed by the Honorary Secretary and Honorary Treasurer of the concerned association.

Note: -

The PCA will reimburse the claim on receipt of proper invoice along with claim form duly signed by the Honorary Secretary and Honorary Treasurer of the District Association.

In addition, the staging association will make the payment of TA, DA & Match Fee to Match Officials and Selectors on PCA approved rates. The Association may claim reimbursement by submitting the payment claims/vouchers to PCA.

Mr. Bharti Vij and Mr. Navdeep Singh requested that Umpires may also be paid traveling allowance for Car during the Inter District Matches. Mr. Ranjeev Sharma seconded their proposal.

The CEO informed that in the amended rules, the Umpiring fee and DA has been substantially increased. He further informed that as seen in the past, except Elite Panel Umpires, most of the Umpires travel by Public Transport.

The Committee discussed in detail and approved to reimburse car charges, as Travelling Allowance to Elite Panel Umpires only. Further the Elite Panel Umpires claiming Car charges have to certify the same along with raising their claim bill in the prescribed proforma mentioning all details along with supporting documents, as designed by the office from time to time.

Item No.2: To discuss and approve the Rules for providing ground equipment and cricket balls to the member District Cricket Associations.

The CEO informed the members that the PCA is already providing ground equipment and cricket balls to the member associations running the Regional coaching centres. He further informed that PCA will now also consider the ground equipment for the second ground developed by any member association after entering into MOU and having operational control on the ground for practice and staging of matches.

The CEO shared with members that same quantity of cricket balls will now be supplied to each member association running RCC (Men), as detailed below:

- A) SG Tournaments – 4 Dozen Per Annum which will be distributed in 2 instalments. (April – May and Sept.-Oct.)

Further the District associations running the women academy, as approved by PCA, will also get additional balls as detailed below:

SG Club (5oz.) – 4 Dozen Per Annum which will be distributed in 2 instalments (April – May and Sept.-oct)

The Honorary Treasurer informed that some of the Districts have not yet submitted their Balance Sheets/ Utilization Certificates for the last financial year even after repeated reminders by the PCA. He further informed that keeping in view the non-submission of required documents their Subsidy/ Grant-in-aid are pending for the previous years.

The President advised that we shall have a cut-off date after which the subsidy payable to Member Associations will elapse in case of non-submission of financial documents and raising of invoice. The CEO proposed that we may fix 25th April of each year as cut-off for each member association to provide Balance Sheet for the last financial year i.e. for the year 2019-20, the same should be submitted by 25th April, 2021 and raise invoices to claim subsidy, other-wise the claims for previous years will stand lapsed.

Report of Senior Selection Committee

Appointed as chairman senior selection committee on 30/4/2021 along with four other members Sh.Sapan Chopra, Karan Goel, Harminder Jugnu and Bablu Kumar. Each selector was allotted four districts of Punjab. Due to lockdown and pandemic restrictions, the selectors were not able to visit the allotted districts immediately. However once the lock down was over the program to visit the allotted districts was planned with CEO and after taking the permission the allotted districts were visited by the selectors in the month of July. During the visit of districts, the selectors watched the net sessions and training sessions of the players. The selectors also interacted with the districts secretaries, coaches, sports staff and players. The selectors discussed the demand of modern day cricket with the players and coaches. It was observed by all the selectors that there is enormous talent in Punjab. The districts are providing young cricketers practice regularly in their respective districts. It is pertinent to mention here that all the districts are very keen to improve their cricket facilities and are working on it so that the players can get more facilities to improve their game.

In the month of July the inter district T-20 tournament was held and selectors were allotted matches to watch the players performances. From the T-20 matches 48 boys from all the districts were picked for the camp cum matches, four teams were made from the selected 48 boys and matches were organized at PCA Mohali from 6th to 13th August where all the selected players were given equal chance in the matches to show their skills. All the selectors watched every match and players performance was observed. From these matches selectors picked the team of Rest of Punjab which played match against Kapurthala the winner of T-20 tournament, which was won by Rest of Punjab. After that Katoch Shield Tournament was held and the selectors were allotted matches to watch the players performance. Further 50 overs inter district tournament was also organized where again the selectors were assigned to watch the matches. From all the above mentioned tournament the selection committee selected 40 boys from all the districts and camp was organized at PCA Mohali under the supervision of new appointed head coach Mr. Surinder Bhawe. Being a local selector I visited the camp regularly and watch the nets and training session of the players every day. I also took observation from the coach on each selected player. From these 40 selected boys four teams were made (two teams for matches on 12 & 13 oct and two teams for matches on 15, 16 & 17 oct) to play practice matches against UT and Haryana for the upcoming T-20 Mushtaq Ali tournament.

As a chairman Senior Selection Committee, I observed that there is lot of talent in Punjab and can be nourished by giving more exposure to the players by playing practice matches with other states. Further, I would like to thank PCA for organizing various format tournaments, which were very well organized during the period of pandemic. It gave the selection committee opportunity to watch every player for different formats and their performances, which helps the selection committee to select the right player for a particular format.

I am sure with the number of tournaments organized by PCA with top facility, which gave every player opportunity to show his skills, the Punjab cricket will improve day by day.

We prepare the following improvements to be carried out:-

1. First of all to improve the cricket pitches which are very slow and dry.
2. Secondly spinners getting more chances than fast bowlers this is not healthy sign for Punjab. Cricket.
3. We need to make good and hard wickets especially green wickets in every district is very essential.
4. Skilled coaching staff are required badly in upcoming districts.
5. Zone wise academy ,fast bowlers academy, batsman academy and wicket keepers academy, spinners academy also required to improve the Punjab cricket because Punjab junior cricket was shining star in past .

The team was selected for all India under 19 tournaments at Jaipur from 20-09-21 to 18-10-21. Punjab team performs well in this tournament and team has qualified for the quarterfinals.

Suggestions:-

There should be match referee in all the tournaments conducted under PCA.

The parents of players should not be allowed to sit near the playing areas.

There should be qualified women coaches particularly in minor district like Gurdaspur, Bhatinda, Mansa, Ferozpur, Faridkot etc. We do have talent in these districts but parents are not interested to send their daughters in combined centres.

Ex women cricketers are interested in doing the coaching level. PCA should take the initiative of making it possible.

There should at least one centre in the main district which is only for women cricketers where they feel to practice (can be common for all ages group.).
