Item No. 4 : To discuss the report of M/s MGSG & Associates for establishing of Regional Centers at Amritsar and Bathinda and to take appropriate decision.

The President informed the members that the Apex Council in its meeting dated February 08th, 2024

has decided to develop Regional Centres of Punjab Cricket Association at Amritsar and Bathinda and constituted a Sub-committee consisting of President, Vice President and Honorary Treasurer.

He further informed the members that the Sub-committee, after due deliberations, appointed M/s MGSG & Associates, Chandigarh, on the basis of applications received in response to PCA advertisement dated June 8th, 2024, to identify suitable land and conduct due diligence for the proposed lands in and around Bathinda.

M/s MGSG & Associates, Chandigarh had submitted their report to the Sub-committee, wherein they had conducted detailed survey in Bathinda and made recommendations for land in different areas along with analysis.

The President shared with members that the Office Bearers then visited and inspected the recommended sites in the different areas of Bathinda City.

The President informed the members that the most suitable land is located on Bathinda-Muktsar Road and is approximately 4-5 km away from the Bathinda Airport. There is a proposal to extend existing 33 feet paved road to 87 feet highway between Muktsar and Bathinda.

The President briefed the members that for setting up a Regional Centre in Bathinda approximately 14-15 acre of land is required and based on that negotiations will be conducted with the concerned landholders.

The Honorary Joint Secretary proposed that as the President himself belongs to the Bathinda City, it will be advantageous if he can further negotiate with the agency/landowners for getting the best rates and then bring the same to the Apex Council for discussion.

Mr. Sanjeet Singh enquired about the financial plans of PCA for construction, maintenance and development of these Regional Centres and the estimated Income and Expenditure for next five years. Mr Akash Rathore also enquired the same.

The Honorary Treasurer informed the members verbally regarding the financial position of the Association and a broad outline of the revenue streams and expenditures. He also shared that land procurement at Bathinda is in the initial stages only and after finalization of the land, the financial plans/estimates will be shared with the Apex Council for approval.

The Honorary Joint Secretary remarked that development of cricketing infrastructure is one of the main responsibilities of the Association and with the rise of revenue for the Association, it was imperative that good facilities were created and developed for the game in the state of Punjab. He re-iterated that creation of Regional Centres was a great initiative in this regard.

The Members, after these detailed discussions, agreed with the proposal of the President and further authorized the Office Bearers to take necessary steps in this regard and bring the final proposal to the Council for approval.

Item No. 5 : To consider the membership fee for enrollment of New Members in Punjab Cricket Club (PCC) for different categories including Class-I Officers/ Board/Corporation Chairmen.

He proposed that we may consider to include Chairmen of the Boards and Corporations, in addition to Class-I Gazetted Officers, for Punjab Cricket Club (PCC) membership, under Govt. category.

The Honorary Treasurer enquired whether it will be applicable for the Boards/Corporations, of Punjab state or for Pan India.

The Honorary Secretary proposed that we may consider the Boards/Corporations of the state of Punjab only. He further proposed that Apex Council may authorize the Vice President to approve such requests as he was already heading the committee overseeing the running of the Club.

The Members, after due deliberations, unanimously approved the proposal of the President and authorized the Vice President to exercise his discretion and approve such applications in coordination with the Honorary Secretary.

Item No. 6 : To consider the request of Mr. Aavishkar Salvi for release of additional professional fee as Cricket Head Coach for Punjab Sr. Men Team for the year 2023-24.

The Honorary Secretary informed the Apex Council members that Mr. Aavishkar Salvi was appointed as Head Coach for Punjab Senior Team (Men) for the year 2023-24 and paid a professional fee of Rs.

25.00 Lacs against the quoted fee of Rs. 40.00 Lacs. He further informed that the Punjab Senior Team won the Syed Mushtaq Ali T20 Trophy (National Championship) last year under his stint as coach.

He shared with the members that Mr. Salvi is now requesting to release the additional professional fee of Rs. 15.00 Lacs.

The Honorary Secretary informed the members that after winning the Syed Mushtaq Ali trophy, PCA has paid the prize money to all members of the team including coaching staff and an amount of Rs.

7.1 Lacs was paid to Mr. Salvi as Prize Money. Keeping in view the above, he proposed that the Apex Council may consider to pay additional professional fee of only Rs. 8.00 Lacs to Mr. Aavishkar Salvi.

The Honorary Treasurer remarked that he felt that once the contract had been signed by Mr Salvi, only contractual terms should be honoured and that had been done by PCA.

The Honorary Joint Secretary also agreed with the Honorary Treasurer.

He further informed the members that after cross checking the bylaws of Bathinda Development Authority it has been learnt that to take the approval for the construction of new stadium, PCA requires a piece of land having a front of minimum 198 feet whereas the parcel of land finalized in the last Apex Council meeting has a front of 137 feet only. Therefore, further scouting for an appropriate parcel of land having more than 200 feet front was conducted by him and he briefed the members regarding the same. He informed the members that this newly proposed land, as exhibited on the displayed map, is on the same road as the previous finalized land but falls 3km earlier towards the city side and the front of this proposed land is approximately 258 feet- which fulfills the statutory requirement for setting up of Cricket Stadium and this land is adjacent to the Baba Farid College, Bathinda. He further shared that PCA may consider to purchase 12 or 12.5 acres of land instead of 15 acres, keeping in view the higher cost of the land.

The President informed the Apex Council that the cost of Change of Land Use (CLU) for the construction of a new Cricket Stadium at Bathinda would be around Rs. 61000/- (Sixty-One Thousand) per acre.

The President shared with members that there is another piece of land adjoining to this land and that belongs to panchayat and proposed that PCA may take this parcel of land on long term lease from the Panchayat if needed later. The Members, after discussions, were of the view that PCA should explore long-term lease from the Panchayat only at a later stage, once PCA has finalized the purchase of land under question and keeping in view future requirements. However, at the current stage the parcel of land under consideration would be sufficient to meet current requirements.

The President informed the members that the approximate budget for purchase of this land would be around Rs. 20.00 crores against Rs. 15.00 crores for earlier selected land. The cost of this land would be around Rs. 1.55 crore to Rs. 1.60 crore per acre.

Mr. Sanjeet Bains suggested that before initiating the purchase, we should get the due diligence of the land done, as specified under specific Khasra numbers.

The President informed him that the Agency appointed by PCA has already been asked to get the due diligence conducted for the new parcel of land under discussion to save time. He further informed that CEO was asked to direct M/s MGSG & Associates to get the needful done. After further discussions it was also decided that Office Bearers may also seek third party report on Due-diligence of the said land.

The President then requested the Apex Council to discuss and approve in principle so that the further course of action could be initiated after receipt of Due-diligence report/Title search report.

The Apex Council, after due-deliberations, unanimously approved to purchase the recommended 3rd parcel of land option, with approx. 258-foot front on the highway for setting up the Regional Centre in Bathinda. On the advice and input of the President, it was further decided to allocate a budget of no more than 1.60 crore/acre for a maximum of 12.5 acres of land apart from statutory and government levies. The Apex Council also decided that in case any difficulty arises to purchase this particular parcel of land, the President shall come back to the Apex Council and recommend further course of action. The Apex Council further authorized the Office Bearers, CEO and Deputy CEO to do all such acts as may be necessary to give effect to the purchase of the land discussed for the setting up of the Regional Centre at Bathinda.

Item No. 5: To discuss and decide the budget and modalities for purchase of land at Amritsar to set up PCA Regional Centre, in consonance with the decision of the Apex Council and General Body.

The Honorary Joint Secretary informed the members that as decided earlier, PCA is also exploring to purchase land to setup PCA Regional Center at Amritsar.

The Honorary Jt. Secretary proposed that we should explore at least four to five land options before finalization of land.

Mr. Sanjeet Bains suggested that Apex Council may also visit Amritsar to finalize the parcel of the land to set up the PCA Regional Center at Amritsar. He also suggested that as decided for the Bathinda Regional Centre, the Amritsar Regional Centre should also be directly managed, run and governed by the PCA so as to maintain standard of Cricket infrastructure and best playing conditions.

The Honorary Secretary confirmed to the members that PCA Regional Centers will be run directly by the PCA only.

The Apex Council, after detailed discussions, unanimously approved the proposal of the Honorary

Joint Secretary and authorized the Office Bearers to proceed in this regard and come back to the Council with recommendations.

Item No. 6: To discuss and decide to renovate the Punjab Cricket Club (PCC) facilities including Restaurant, Conference Hall and Residential Wing etc.

The Honorary Secretary informed the members that M/s Elements, Architect is already busy with work in new PCA Stadium, New Chandigarh and has requested to be relieved from the job of renovation of the facilities at I S Bindra stadium. He further informed the members that the Architect has agreed to handover the plans that had been prepared by them for upgradation of Interior and Exterior facilities which can be used by PCA to modify as desired and save time by not having to start the process from scratch.

The Honorary Secretary proposed that in light of the request of M/s Elements, the Apex Council may consider to engage a new architect for taking on the work of upgradation of facilities at I S Bindra stadium.

The President proposed that we may form a Committee for the renovation work and also request the new architect to visit 4 Star/ 5 Star hotels and Spas to take the ideas of these hotel rooms before proceeding with the upgradation of the rooms of PCA Club.

The President further suggested that after hiring the architect, we may ask him to prepare one sample room in the PCA club at the earliest possible.

The Honorary Joint Secretary informed the members that along with rooms, upgradation work for Glass House, Player's Gym, PCC Member's Gym and Swimming Pools shall also be completed on priority.

It was decided after discussions that PCA may release balance payment around Rs. 3.50 Lakhs plus GST to the Architect M/s The Elements for preparation of preliminary concept for proposed renovation work.

The Apex Council further unanimously approved the above proposals and authorized the CEO to proceed with issuing the advertisement for the new appointment of architect and authorized the President and Honorary Joint Secretary to take further steps for upgrading the facilities at I S Bindra Stadium, Mohali.

Item No. 7: Any other point with the permission of the Chair.

The following points were discussed after the permission of the Chair.

a) The Honorary Treasurer stated that in Apex Council meetings we are regularly discussing regarding the creation of Cricket infrastructure and we may also have some discussions regarding promotion of Punjab players so that they can be noticed by the IPL franchises.

The Honorary Joint Secretary informed the members that many players from PCA are representing the country in Indian Men and Women Team, India A, India U-19 and India Emerging squad.

The Honorary Treasurer remarked that PCA should also focus on the branding and promotion of best players of the Association and from the Sher-E-Punjab Tournament, so that they can be picked by IPL Teams.

After detailed discussions, it was decided that in the next Apex Council meeting a comprehensive review would be done of the performance of Punjab Teams and Players and also on how to focus on branding and promotion of Punjab players.

Mr. Sanjeet Bains enquired about the auctions for Sher-E-Punjab Tournament.

The Honorary Secretary informed the members that this will be the third season of Sher-E-Punjab Tournament and this year we will have a franchisee model instead of sponsorship as discussed earlier in the General Body meeting and earlier Apex Council meetings.

The members unanimously approved to shift to franchisee model for Sher-E-Punjab Tournament from this Season and authorized the Office Bearers to take further necessary action.

b) The President informed the members that with the efforts of the Honorary Secretary, the issue of dispute with M/s Dev Lighting regarding the mast lights lux level upgradation at PCA, I.S. Bindra Stadium, Mohali had been resolved.

The Honorary Secretary informed the members that after telephonic discussions with Mr. Kapil Dev, PCA had received a confirmation email that PCA would pay only Rs. 2.2 crores against the project cost of Rs. 3.18 crores with a saving of approximately Rs. 1.00 crore. Further, PCA is holding the GST amount of the company which has already been deposited by M/s Dev Lighting. As per confirmation, the team of M/s Dev lighting will come and fix the lux levels as per the original agreement. PCA would release the GST amount of Rs. 40 Lacs approximately only after that. The work would be completed by M/S Dev Lighting within 30-40 days after confirmation from PCA and PCA would then withdraw the court case filed after the confirmation of completion of the work by M/s Dev Lighting. In effect, PCA would save approximately Rs. 1 crore, secure lux level upgradation of its lights as per original agreement and also avoid costly litigation.

The Apex Council, after detailed discussions, unanimously approved the above proposal and authorized the Honorary Secretary to do the needful in this regard.

There being no other point and meeting ended with a vote of thanks to the Chair.

REPORT OF WOMEN SELECTION COMMITTEE

Respected Sir,

Regards of the day

I am submitting a comprehensive report on the performance on the completion of season as Chairperson woman's election committee

Sr women team

The result of senior women team particularly in 50 overs format was below expectations .

In this format, Fitness is the main issue

There should be at least 2 -3 Fitness camps. Physio and trainers should follow strict parameters during these camps.

U-23team qualified for pre-quarter-final team lost the match, while chasing players need to cop up the pressure situations and maintain focus and self belief during critical moments

U-19 team qualified for knockout in both the formats

In one day format our team lost the semi finals

In U 15 in this category, we have 50-60 very talented players who are very keen to learn and perform. Our team has done very well category. Our team lost the finals

In U-15,U-19 ,U23 age groups, we have lost the knockout matches while chasing.

Suggestions

If possible the Coaches appointed by PCA. should visit the district coaching centres and guide the district coaches how to improve the batting ability.

There should be off-season fitness and skill camps for all age groups

Number of matches should be increased .

By combining 4-5districts we can make divisions and can conduct their matches

If possible there should be 20 overs tournament(like Sher-e Punjab)

PCA has done a lot for women cricketers what ever is required that is provided by PCA

Sir, it is my humble request that there should be at least a medal ceremony for U15 team. This will boost their confidence and encourage more and more girls to play this game.

I ensure that all the selections done were fair and transparent

Thanks

Regards

Rajwinder Kaur

If they don't ground their bats deliberately short, to try and deceive the umpires, it should be interpreted that they just changed their minds
Clause 28 Page 38 New Addition	**Signal for In Match Over Rate Penalty** • Should a team be penalized by having to have an additional fielder inside the circle, the umpire at the bowler's end will make the **normal Power Play signal at the commencement of the over that the fielding penalty is applied** The above is applicable for both one day and T20 games.
Clause 29 Page 38 New Addition	**Clarification on Internal/External injury** • A twisted ankle or a torn muscle is to be treated as internal injury • An external injury requires the player to be in collision with something. Ball, another player, Boundary LED, or even when d iving for a catch and striking the ground with force **i.e** An external blow is defined as when a player is hit by something or hits something. It must be noted that this definition doesn't include blisters.
Clause 30 Page 38 New Addition	**Ball pitching wholly or partially off the pitch** A ball delivered by the bowler considered to have been delivered bounces within the pitch and again it bounces between popping crease and bowling crease but second bounce was wholly or partially outside the pitch? Will it be a no ball? • This will be considered a No ball Consider all pitches irrespective of whether it is the first or subsequent for the purpose of this law.

Clause 31 Page 38 New Addition	**Warnings, suspension, penance time for replacement players** • **For a no rmal replacement** - Any un-served penalty time, warnings or suspensions, that applied to the original nominated player will be inherited by the replacement player. This is in accordance with the laws of cricket • **For a concussion replacement** - Any un -served p enalty time and Warnings will not be inherited by the replacement player. However, **suspensions** will be carried forward to the concussion replacement. **Note:** In a limited overs match, the replacement can bowl only the remaining overs yet to be bowled by the concussed player.
Clause 32 Page 38 New Addition	**Restriction on placement of fielder (limited overs)** • Should an interruption occur in the middle of an over, and on resumption, if the number of overs per team has changed, which in turn will affect the blocks of Power play overs the new Powerplay mode will be effective for the remaining balls of that over. **The above won't be applicable if the delivery prior to the interruption was a no ball and the free hit delivery is yet to be bowled** • In this case, the free hit delivery would have to be bowled with the same fielding restrictions that were in place prior to the interruption The same logic is applicable if the free hit delivery was bowled prior to the interruption and if it was a wide or a no ball
	Determining cut off for Men one day matches: - As explained below in Men T -20 matches subject to 4.2 minutes per over requirement and minimum 20 overs required for an innings.

CHANGES IN PC FOR MEN T 20 MATCHES

Clause 9 Page 44	**PENALTIES FOR SLOW OVER RAT ES- TO BE REPLACED WITH** The fielding side shall be in position to bowl the first ball of the final over of the innings by the scheduled (or re-scheduled) cessation time for the innings In delayed or interrupted matches where there has been a reduction o f 3 or more overs the fielding side shall be in position to bowl the first ball of the penultimate over of the innings by the scheduled (or re -scheduled) cessation time for the innings.

	Where this requirement is not met, no more than 4 fielders shall be p ermitted outside the fielding restriction area This Clause shall not apply where: a side's innings is reduced to less than 10 overs, unless the over -rate penalty has been applied prior to such reduction; or a side's innings is completed prior to the scheduled (or re-scheduled) cessation time for the innings. **In addition to this there will be financial penalty as follows: -** **A) In case a team is found bowling short overs following financial penalty will be applied** **a.1) Minor offence** If 1 -2 overs are bowled s hort in the innings then financial penalty of Rs.2000/- will be levied on District Association of the offending side. **a.2) Major offence** If more than 2 overs are bowled short in the innings then financial penalty of Rs.4000/- will be levied on District Association of the offending side. **a.3)** However If a district association is levied with financial penalty once irrespective of major or minor, then on any further occasion in the same tournament further offence will be considered as major offence leading t o financial penalty of Rs.4000/-.
10-C(iv) Page 47 (New addition)	Two fast short pitched deliveries allowed per over

Clause 15.b Page 50	**Penalty time not incurred** A nominated player's absence will not incur Penalty time if, he has suffered an external blow during the match and, as a result, has justifiably left the field or is unable to take the field. In the opinion of the umpires, the player has been absent or has left the field for other wholly acceptable reasons, which shall not include illness or internal injury. **The player is absent from the field for a period of 8 minutes or less provided he doesn't have any unserved penalty time earlier.**
Clause 19 Page 54 New Addition	**Helmet and head protection** Players must wear a helmet in the following circumstances where: • Batters are facing pace bowlers • Wicket keepers are standing up to the stumps and • Fielding close to the batter in front of the wicket At other times helmets are optional.

Clause 20 Page 54 New Addition	**Batter retired out** • If a batter is Retires for any reason other than injury, illness or exceptional circumstances (to be decided by the umpires), he will be considered as OUT immediately for all purposes. In this case even the consent of opposition captain is not applicable for a batter to resume his innings.
Clause 21 Page 54 New Addition	**Batters aborting a run/Deliberate short runs** • The batters have the right to change their minds. Deliberate short running has to be a deliberate attempt to get 2 (or 1, accepting you get called for short running) without running the distance. • In scenarios like this, where it is clear that neither batter is attempting to claim a run, the thinking is it should just be treated as a mix up, and no runs scored but no penalties applied. • There should be evidence that either batter is being dishonest. If they don't ground their bats deliberately short, to try and deceive the umpires, it should be interpreted that they just changed their minds
Clause 22 Page 54 New Addition	**Signal for In Match Over Rate Penalty** • Should a team be penalized by having to have an additional fielder inside the circle, the umpire at the bowler's end will make the **normal Power Play signal at the commencement of the over that the fielding penalty is applied** The above is applicable for both one day and T20 games.
Clause 23 Page 54 New Addition	**Clarification on Internal/External injury** • A twisted ankle or a torn muscle is to be treated as internal injury • An external injury requires the player to be in collision with something. Ball, another player, Boundary LED, or even when diving for a catch and striking the ground with force **i.e** An external blow is defined as when a player is hit by something or hits something. It must be noted that this definition doesn't include blisters.
Clause 24 Page 54 New Addition	**Ball pitching wholly or partially off the pitch** A ball delivered by the bowler considered to have been delivered bounces within the pitch and again it bounces between popping crease and bowling crease but second bounce was wholly or partially outside the pitch? Will it be a no ball? • This will be considered a No ball Consider all pitches irrespective of whether it is the first or subsequent for the purpose of this law.
Clause 25 Page 54 New Addition	**Warnings, suspension, penance time for replacement players** • **For a normal replacement** - Any un-served penalty time, warnings or suspensions, that applied to the original nominated player will be inherited by the replacement player. This is in accordance wit h the laws of cricket

	• **For a concussion replacement** - Any un -served penalty time and Warnings will not be inherited by the replacement player. However **suspensions** will be carried forward to the concussion replacement. **Note:** In a limited overs match, the rep lacement can bowl only the remaining overs yet to be bowled by the concussed player.
Clause 26 Page 54 New Addition	**Restriction on placement of fielder (limited overs)** • Should an interruption occur in the middle of an over, and on resumption, if the number of overs per team has changed, which in turn will affect the blocks of Power play overs the new Powerplay mode will be effective for the remaining balls of that over. **The above won't be applicable if the delivery prior to the interruption was a no ball and the free hit delivery is yet to be bowled** • In this case, the free hit delivery would have to be bowled with the same fielding restrictions that were in place prior to the interruption The same logic is applicable if the free hit delivery was bowled prior to the interruption and if it was a wide or a no ball
	Case 1 T20 Match timings : Determining cut off time – **10.00 to 11:25 11:25 to 11:45 (interval) 11:45 to 13:10** First innings overruns and finished at 11:40 2nd innings start is delayed due to rain . What is the latest time to play a 5 over game? Min overs to constitute a T20 game: 5 Time equivalent to 15 overs at 4.25 mins/over is 63.75 = 64 (Rounded up) Once 64 mins has elapsed (equivalent to 15 overs) we would not have a game So, in this case the second innings should have commenced at11:50 but for the interruption Hence 11:50+64 = 12:54 is the cut-off time to play a 5 over game. **Example**: In a one day match, the second innings started on time at 1:15pm and interrupted at 4:30 when 42 overs are bowled. We need to wait till 8 overs are lost before calling off the game 8x4.2 = 34 mins (rounded up). So 4:30+34 =5:04pm The same logic shall apply for T20 games also
	Case 2 : Determining cut off time - T20 Match timings : 10.00 to 11:25 11:25 to 11:45 (interval) 11:45 to 13:10 First innings finishes at 11:35; Second innings starts at 11:45. At 12:10 after 4.4 overs are bowled, there is an interruption. How much time do we wait before calling off the game ? Min overs to constitute a T20 game : 5 Time equivalent to 15 overs at 4.25 mins/over is 63.75~ 64 (Rounded up) Applying the same logic as in the previous case, the cut off time for a 5 over game is 64 mins from the time of the interruption that is 12:10+64 = 1:14pm Note: In this case, we can start the game even after the scheduled or rescheduled cessation time.

	Case 3: Determining cut off time - T20 Match timings : 10.00 to 11:25 11:25 to 11:45 (interval) 11:45 to 13:10 Second innings starts at 11:45 At 12 noon 4 overs are bowled when there is an interruption . What is the latest cut off time ? Min overs to constitute a T20 game : 5 Time equivalent to 15 overs at 4.25 mins/over is 63.75~ 64 (Rounded up) Applying the same logic as in the previous cases, the cut off time for a 5 over game is 64 mins from the time of the interruption that is 12:00+64 = 1:04pm **Note:** The match will finish at an earlier time because the team has bowled quicker than expected.

Clause 8.B Page 61	**PENALTIES FOR SLOW OVER RATES - TO BE REPLACED WITH** In match over-rate penalty shall be applicable in case of slow pace of play (Short overs) In uninterrupted matches, the fielding side should be in a position to bowl the first ball of the final over of the innings at the scheduled or rescheduled cessation time of the innings. If the team fails to achieve the above, an extra fielder will be brought into the 23 mtr circle at the completion of the over in progress at the scheduled/rescheduled cessation time. For matches reduced to 47 overs or less, the teams should be ready to bowl the first ball of the penultimate over at the close of the scheduled/rescheduled cessation time. However, this penalty will not apply if a side's innings is reduced to less than 25 overs, unless the over-rate penalty has been applied prior to such reduction. **In addition to this there will be financial penalty as follows: -** **A) In case a team is found bowling short overs following financial penalty will be applied** **a.1) Minor offence** If 1-2 overs are bowled short in the innings then financial penalty of Rs.2000/ - will be levied on District Association of the offending side. **a.2) Major offence** If more than 2 overs are bow led short in the innings then financial penalty of Rs.4000/- will be levied on District Association of the offending side. **a.3)** However If a district association is levied with financial penalty once irrespective of major or minor, then on any further occ asion in the same tournament further offence will be considered as major offence leading to financial penalty of Rs.4000/-

Clause 9 Page 61	**RESTRICTIONS ON THE PLACEMENT OF FIELDERS:** **Power Play * OVERS 1-10** Not more than 2 fielders outside the field r estriction circle **Non Power Play Overs 11-50** Not more than 4 fielders outside the field restriction circle * These overs blocks are applicable for 50 overs a side game and the overs blocks get revised whenever the revision of overs takes place.
Clause 13 Page 66 New Addition	**Helmet and head protection** Players must wear a helmet in the following circumstances where: • Batters are facing pace bowlers • Wicket keepers are standing up to the stumps and • Fielding close to the batter in front of the wicket At other times helmets are optional.

Clause 19 Page 66 New Addition	**Warnings, suspension, penance time for replacement players** • **For a normal replacement** - Any un -served penalty time, warnings or suspensions, that applied to the original nominated player will be inherited by the replacement player. This is in accordance with the laws of cricket • **For a concussion replacement** - Any un -served penalty time and Warnings will not be inherited by the replacement player.
